Press Release

Micro Meets Sporty...Again

Wauconda, IL:

The DU-BRO Micro Sport Wheels have been received so well that we wanted to add to the line. We have now included a 5th size to open the line up to some larger electric aircraft. Our 3" (300MS) has the same lightweight characteristics as the other sizes and they provide for take-offs from grass fields as well.

No. 300MS 3" Micro Sport Wheels

Retail: \$4.95

For Release, October 2008
